

RENOVATIONS

STRENGTHENING CHURCHES AND LEADERS NOW AND INTO THE FUTURE

Preparation questions:

1. Think about your church. Now think about where it is located, its place. What is it like?
2. Do you love your church's place—the neighborhood, the community, all of it?

Watch video (Jonathan 1.1)

Post-video discussion and action questions:

1. Look back at what you wrote before watching the video. Within the context of the video, consider these questions:
 - a. What is your place? Describe it.
 - b. Do you love your place? How can you fall in love with it?
2. What is your attitude toward your place? Be honest. Does it need to be changed? If so, how?
3. What are ways you are connected with your neighborhood? What are ways you need to improve on being connected? Do you have a plan to make that improvement?
4. Take some time to consider this: do you think you know what's best for your place and the people in it? Do you need to change your mindset to being more of a steward of the place you are in, while leaving the plan to God? How can you do that?

What is my next faithful step?

Notes:
