

RENOVATIONS

STRENGTHENING CHURCHES AND LEADERS NOW AND INTO THE FUTURE

Preparation questions:

1. How do you define innovation?
2. How is innovation connected to the Bible?
3. How is innovation connected to both your personal leadership and your leadership team?

Watch video (Leroy 1.2)

Post-video discussion and action questions:

1. Based on Leroy's definition and explanation of innovation, how can you and other leaders in your context work to innovate together?
2. How can you work to get the younger generations more involved in the innovation? What about the generations who are stuck in the old way? How can you work with them to innovate in your context? Who can be the go-between?

What is my next faithful step?
